Company Name: Fibergate Inc.  
Representative Director, President Executive Officer: Masanori Inomata  
(Code No.: 9450, Prime Market of Tokyo Stock Exchange)

## **Notice Concerning Approval of Change of Market Classification to Standard Market and Withdrawal of the Plan for Compliance with Prime Market Listing Maintenance Criteria**

Fibergate Inc. (the “Company”) announced on May 14, 2025 that it had resolved at a meeting of its Board of Directors to apply for a change of its market classification to the Standard Market of the Tokyo Stock Exchange. We hereby announce that the Tokyo Stock Exchange has approved the application as of today. Accordingly, the Company will be listed on the Standard Market as of July 30, 2025.

The Company had been working to satisfy the continued listing requirements of the Prime Market based on the “Plan for Compliance with the Listing Maintenance Criteria” announced on September 13, 2024. However, in light of the approval of the market classification change, the Company has determined that the plan has fulfilled its purpose and has decided to withdraw it as of today.

Guided by our corporate philosophy of “Thank you”—from our customers, to us and our purpose of contributing to the development of a prosperous society by establishing our business model as an on-premise infrastructure integrator and creating new economic value guided by the spirit of a triple win—benefiting sellers (ourselves), buyers (our customers), and society at large, the Group has been engaged in initiatives to maximize efficiency in communications and energy.

We will continue to provide valuable services to society, our customers, and business partners, and will remain committed to strengthening communication with investors as we strive to further enhance our corporate value.
