**Fibergate Expresses Support for TCFD Recommendations and Information Disclosure**

Name	Fibergate Inc. (Securities Code: 9450)
Overview	Fibergate has expressed its support for the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD) and will conduct information disclosure based on the TCFD recommendations. In addition, it has joined the TCFD Consortium, which was formed in an aim to discuss effective corporate information disclosure and optimal initiatives.
Purpose	<p>As the impact of climate change on society is major, Fibergate considers climate change a critical social issue that should be addressed. In order to realize a carbon-neutral society (endeavor to limit global warming to well below 2 and preferably 1.5 degrees Celsius compared with pre-industrial levels) set by the Paris Agreement, Fibergate will work on carbon neutrality and resource circulation as well as pursue provision of products/services that realize lowering of environmental burden and development of environmental technologies.</p> <p>Fibergate will promote in sequence information disclosure (governance/strategy/risk management/metrics and targets) based on the framework of TCFD to communicate with shareholders, investors and a wide range of other stakeholders.</p> <p>Fibergate positions the growth of its company as to occur in consideration of humans and the environment and thus will proactively work on solving global issues indicated in the SDGs (common targets that our global society aims to achieve by 2030) and social issues and expectations regarding environmental, social, and governance (ESG) factors.</p>
