**Fibergate and Muroran Institute of Technology Initiate Research Through  
Industry-Academia Collaboration**

Name	Fibergate Inc. (Securities Code: 9450)
Overview	Fibergate concluded a joint research agreement with Muroran Institute of Technology regarding development of systems for effective use of renewable energy on May 6 and will initiate joint research.
Details	<p>Fibergate will conduct joint research with Muroran Institute of Technology and pursue development of systems for effective use of renewable energy centering on solar power generation systems optimized for Japanese apartment complexes and local governments. Apartment complexes in Japan account for 43.5% of all residences and thereby the research is considered to be highly needed.</p> <p>The research will be carried out by Fibergate and its subsidiary developing the abovementioned systems and Muroran Institute of Technology conducting requirements definition, evaluation, and provision of improvement advice.</p>
